NOW THIS INDENTURE WITNESSETH that, in consideration of the sum of one dollar (\$1), now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged), and for other valuable consideration, the Grantor, for himself, his heirs, executors, administrators, and assigns, does hereby give and grant unto the Grantee, its successors and assigns, a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises situate, lying, and being in the City of Port Coquitlam, in the Province of British Columbia, and being more particularly known and described as that portion of Lot 20, Southeast Quarter Section 12, Township 39, Plan 11116 (except, firstly, Parcel A (Explanatory Plan 23021), and, secondly, Plan 40387), NWD, as shown outlined in red on plan of right-of-way deposited in the Land Registry Office at the City of New Westminster, under No. 44608 (hereinafter called the "said right-of-way")):

And for the purposes aforesaid to enter upon and have free and uninterrupted access at all times to the said right-of-way, with or without workmen, vehicles, and equipment:

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands:

And it is mutually understood and agreed by and between the parties hereto that this indenture shall be construed into a covenant running with the land:

TO HAVE AND TO HOLD unto the Grantee, its successors and assigns forever.

The Grantor hereby agrees that for the purpose of installing the works initially the Grantee may enter upon an additional 20 feet of the Grantor's property adjacent to the right-of-way.

THE GRANTOR HEREBY COVENANTS and agrees with the Grantee that the Grantor will not erect, place, or maintain any building, structure, concrete driveway, or patio on any portion of the right-of-way:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting or adjacent to the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And that the Grantor will not diminish the soil cover over any works installed in the right-of-way:

And the Grantor covenants and agrees with the Grantee that any and all chattels and fixtures installed on the said right-of-way shall be and shall remain chattels, any rule at law to the contrary notwithstanding, and shall belong solely and exclusively to the Grantee.

THE GRANTEE HEREBY COVENANTS and agrees with the Grantor that the Grantee

- (a) will not bury debris or rubbish of any kind in excavations or backfill, and will remove shoring and like temporary structures as backfilling proceeds;
- (b) will thoroughly clean the site, raking up all rubbish and construction debris and leave the site in a neat and clean condition;
- (c) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and (or) replacement and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible.

IT IS MUTUALLY UNDERSTOOD, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way of which the Grantor shall be seized or which he shall have an interest, but that the land shall, nevertheless, be and remain at all times charged therewith:

And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the right-of-way in any manner which does not interfere with the security of efficient functioning of or unobstructed access to the said works.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the

Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Therefore, take notice, that Southern Okanagan Lands Irrigation District will not approve any further subdivision of lands requiring water for other than agricultural and directly related purposes, nor will Southern Okanagan Lands Irrigation District provide any further domestic water connections whatsoever unless in the opinion of the board of trustees the circumstances warrant the provision of a domestic connection in any particular case.
